1 you didn't go along with school -- if you weren't  
2 against school desegregation back in the 1950s, then you  
3 were seen is as an oddity in your community. You  
4 probably weren't invite to come back to the Lions Club.

5 REPRESENTATIVE BURNAM: Mr. Veasey, you  
6 know that I'm extremely proud that your grandmother and  
7 your mother are my constituents, and I bet you also know  
8 that they are extremely proud of you today.

9 REPRESENTATIVE VEASEY: Thank you very  
10 much.

11 And I think it's time to close, and I want  
12 to thank my colleagues for joining me.

13 But the people that will lose out in  
14 because of this bill will mainly be Hispanics and  
15 blacks, poor, elderly, rural, and it's a shame that  
16 we're traveling back in history instead of moving  
17 forward and winning the future.

18 Thank you.

19 THE CHAIR: The Chair recognizes  
20 Representative Martinez in opposition.

21 REPRESENTATIVE MARTINEZ: Thank you,  
22 Mr. Speaker, Members.

23 The foundation has been laid and the bricks  
24 and the mortar to start the building of a wall has  
25 commenced. And although this is not a wall for a

1 building, this is a wall built as yet another barrier,  
2 another obstacle for minorities.

3 This Voter ID Bill or should I say this  
4 voter restriction, Voter Suppression Bill is one of the  
5 toughest in the country.

6 A bill that oppresses minorities and their  
7 right to vote. A bill written and fortified on pure  
8 speculation. For those members that have come up here  
9 are and have talked about seeing voter fraud, why didn't  
10 you do anything about it?

11 Pure speculation, Members. Many of you  
12 were in this chamber have never had to experience not  
13 being served at a restaurant or having to pick up your  
14 order at a back door or being treated differently  
15 because of your race or the color of your skin.

16 I can still remember growing up and hearing  
17 my grandparents and my parents saying that they couldn't  
18 go to the south side of town after 10:00 o'clock because  
19 of their race. I can remember my grandfather saying  
20 that he couldn't pick up his order in a restaurant or be  
21 seated because he was Hispanic because he was Mexican  
22 American. All this happened because of their race.

23 This bill, Members, is a personal attack on  
24 minorities. This bill undermines every civil rights  
25 most. The work of every civil rights leader and most of

1 all undermines every minority in this state.

2 Some members in this chamber can go back,  
3 you can check off your political agenda. You've done  
4 what you've had to do. You're going to vote on this  
5 bill.

6 But to some of us it is personal. This is  
7 our voice. This is the voice of the minorities I  
8 represent in my district. The voice of the minorities  
9 across the state of Texas, and we're taking a stand  
10 against continuous oppression and percent execution that  
11 this bill brings.

12 To our minority members in this House, I  
13 ask you to stand with me today. To members who care  
14 about the minorities you represent, I ask you to stand  
15 with me today so we can together vote against the  
16 continued oppression, persecution and voter suppression  
17 in this state.

18 Thank you.

19 REPRESENTATIVE REYNOLDS: Mr. Speaker?

20 THE CHAIR: Mr. Reynolds, for what purpose?

21 REPRESENTATIVE REYNOLDS: Will the  
22 gentleman yield?

23 THE CHAIR: Will you yield?

24 REPRESENTATIVE MARTINEZ: I yield.

25 THE CHAIR: The gentleman yields.

1 REPRESENTATIVE REYNOLDS: Are you familiar  
2 with Proverbs 3:1:89?

3 REPRESENTATIVE MARTINEZ: I would like for  
4 you to please refresh my memory on that Representative  
5 Reynolds.

6 REPRESENTATIVE REYNOLDS: Well, I would say  
7 that Proverbs 3:1:89 simply says, "Speak out, for the  
8 one who cannot speak. For the rights of those who are  
9 doomed. Speak out, judge fairly and defend the rights  
10 of oppressed and need I people."

11 Would you say that that scripture, pretty  
12 much, summarizes the sentiments of the statement that  
13 you made in opposition of this SB 14?

14 REPRESENTATIVE MARTINEZ: Absolutely  
15 Representative. And I'm on a roll. If you give it to  
16 me right now, I'll recite it to you right now.

17 REPRESENTATIVE REYNOLDS: Proverbs 3:1:89.

18 REPRESENTATIVE MARTINEZ: Thank you.

19 THE CHAIR: Mr. Martinez-Fischer, for what  
20 purpose?

21 REPRESENTATIVE MARTINEZ-FISCHER: I'd like  
22 to move to add the remarks of Representative Veasey,  
23 Representative Martinez.

24 THE CHAIR: Members, you've heard the

2 So ordered.

3 If anyone else wishing to speak for or  
4 against the bill?

5 The Chair recognizes Representative Harless  
6 to close.

7 REPRESENTATIVE HARLESS: Mr. Speaker,  
8 Members, it's been a very long day.

9 REPRESENTATIVE YVONNE DAVIS: Mr. Speaker.

10 THE CHAIR: Ms. Davis, for what purpose?

11 REPRESENTATIVE YVONNE DAVIS: May I ask the  
12 gentlelady a question before she's closing? I think  
13 this would be part of her closing remarks.

14 THE CHAIR: Ms. Harless, do you yield?

15 REPRESENTATIVE HARLESS: Yes.

16 THE CHAIR: The lady yields.

17 REPRESENTATIVE YVONNE DAVIS: Thank you.

18 Representative Harless, I just want to get  
19 on the record because there's been some discussion with  
20 regard are to the cost of the bill and funding for the  
21 bill.

22 And so I'd like to ask you if you could  
23 explain to me who's going to pay for this legislation  
24 we're passing? What is your understanding of who will  
25 pay for it?

1 REPRESENTATIVE HARLESS: My understanding  
2 is that there's a \$2.24 million fiscal note on it. We  
3 have money in the General Appropriations Bill and we  
4 have a contingency rider. There's HAVA funds available  
5 if we request them and we are approved.

6 REPRESENTATIVE YVONNE DAVIS: Is it your  
7 explanation that there are actually two riders then?

8 REPRESENTATIVE HARLESS: Yes.

9 REPRESENTATIVE YVONNE DAVIS: Okay. So you  
10 mentioned two. So it's just the one contingency rider  
11 that deals with HAVA funds; is that correct?

12 REPRESENTATIVE HARLESS: I don't know. I  
13 don't remember mentioning two. There is only one rider,  
14 there always has been and there is only one required  
15 rider.

16 REPRESENTATIVE YVONNE DAVIS: Okay. And so  
17 if those HAVA funds and those HAVA funds represent  
18 federal funding from the Obama administration; is that  
19 correct?

20 REPRESENTATIVE HARLESS: Yes, they do.

21 REPRESENTATIVE YVONNE DAVIS: Okay. If  
22 those HAVA funds are not funded at the 2.02 level or if  
23 they are not funded at all, is there money for  
24 implementation of this bill to your knowledge?

25 REPRESENTATIVE HARLESS: Yes.

131

1 REPRESENTATIVE YVONNE DAVIS: And could you  
2 explain what that funding would be.

3 REPRESENTATIVE HARLESS: I think we have  
4 General Appropriations Funds set aside for this funding  
5 of this bill to educate voters.

6 REPRESENTATIVE YVONNE DAVIS: Okay. And is  
7 that a different rider than the one we just talked  
8 about?

9 REPRESENTATIVE HARLESS: In the  
10 Appropriations Bill that was laid out in January or  
11 February on Page 192, there's \$39 million of HAVA funds  
12 underneath the Secretary of State. And for this coming  
13 year, and \$9 million for the next year, 2013.

14 REPRESENTATIVE YVONNE DAVIS: So is your  
15 representation that we don't have the funds associated  
16 with this contingency rider but they will be using funds  
17 that have already been received and will be used for a  
18 new program?

19 REPRESENTATIVE HARLESS: They're received  
20 and they're used for election training.

21 REPRESENTATIVE YVONNE DAVIS: But are they  
22 already obligated or are they additional funds? They're  
23 existing funds that we have that are not obligated in is  
24 that your understanding?

25 REPRESENTATIVE HARLESS: Yes.

House Floor Debate - Volume III

March 23, 2011

132

1 REPRESENTATIVE YVONNE DAVIS: And so we, in  
2 fact, would not have to apply for this money under Rider  
3 No. 11, the contingency appropriation based on what you  
4 just articulated; is that correct?

5 REPRESENTATIVE HARLESS: You have to ask  
6 for approval from the election administration to use  
7 those funds for this source. That was the testimony in  
8 Committee.

9 REPRESENTATIVE YVONNE DAVIS: Okay. So I  
10 guess I want to make sure that I understand.

11 Your representation is that the Secretary  
12 of State already has HAVA funds that have not been  
13 appropriated that we can utilize for this program,  
14 whether we get additional funds or not won't matter? Is  
15 that what you're saying?

16 REPRESENTATIVE HARLESS: I'm not on the  
17 finance committee, but I know what's in the  
18 appropriation bill. There is money there for that.

19 REPRESENTATIVE YVONNE DAVIS: Okay. But I  
20 want to make sure I'm asking it correctly because in the  
21 bill that we're going to take up next week, are you  
22 suggesting that based on that bill, the bill that's  
23 going to come to us, the funds have not been  
24 appropriated, so if we don't get new funds, we have  
25 funds available for this program?

JA\_002709

TX\_00213217

USA\_00017591

1 REPRESENTATIVE HARLESS: If we don't get  
2 new funds, we already have HAVA money sitting in the  
3 general revenue. The testimony in Committee is the  
4 Secretary of State and McGeehan has said we have  
5 received some \$32 million of HAVA funds. We have spent  
6 up to whatever the difference is that equals the  
7 \$43 million. And that money is to be spent for election  
8 training.

9 It's in the General Appropriations Bill  
10 that Chairman Pitts has laid out at the beginning of the  
11 session.

12 I'm not sure what the next appropriation  
13 bill is, what we'll vote on, what we'll actually have in  
14 it because I don't serve on Appropriations.

15 REPRESENTATIVE YVONNE DAVIS: Okay. For  
16 Members, for those of us who don't serve on  
17 Appropriations either, I don't either, so I'm trying to  
18 understand are where the moneys going to come from and  
19 to the extent be that we don't need these funds and we  
20 already have money allocated.

21 I just want to make sure that I ask the  
22 question: If we don't get additional funds, will we  
23 have -- will there be an issue with regard to this bill  
24 being passed begun down to our counties and they're  
25 being responsible to implement this without additional

1 resources from the State?

2 REPRESENTATIVE HARLESS: The counties pass  
3 what the Secretary of State passes down. They receive  
4 funds for this. This is part of their normal duties.

5 Every session there is some election law  
6 changes. It is my understanding from testimony from  
7 Harris County, that this is in their normal practice.

8 REPRESENTATIVE YVONNE DAVIS: This is a  
9 little bit more than normal practice because we're  
10 altering the entire process.

11 And so to the extent that this is a totally  
12 new program, the costs would be much greater than they  
13 traditionally would have programs that were  
14 continuations of our existing programs, wouldn't you  
15 say?

16 REPRESENTATIVE HARLESS: Yes. There was  
17 testimony in Committee. The Secretary of State spent a  
18 lot of time talking about what they wanted to do and  
19 what they would look to other states for best practices.

20 They have budget set aside every single  
21 year to enact new changes in Election Code.

22 REPRESENTATIVE YVONNE DAVIS: And my last  
23 question is: Based on that then we really don't need  
24 this contingency rider? Is that what you're suggesting,  
25 based on your comment?

House Floor Debate - Volume III

March 23, 2011

135

1 REPRESENTATIVE HARLESS: It could be  
2 possible but I didn't want to take any chance.

3 REPRESENTATIVE YVONNE DAVIS: Okay. But  
4 you're sure that we don't have to worry about our  
5 counties contacting us with regard to additional  
6 expenses, whether implementing a new voter plan without  
7 having received money from the state? Is that your  
8 representation?

9 REPRESENTATIVE HARLESS: That is my  
10 understanding have the county receives money from the  
11 Secretary of State that comes from --

12 REPRESENTATIVE YVONNE DAVIS: That's a  
13 different question.

14 My question is: Based on implementing a  
15 new program, do we expect that the counties will incur  
16 additional costs to implement the new program that we  
17 will not fund?

18 REPRESENTATIVE HARLESS: I do not expect  
19 them to, but I cannot say for sure that they won't have  
20 additional costs.

21 REPRESENTATIVE YVONNE DAVIS: And if there  
22 are additional costs based on us passing this new bill,  
23 you're suggesting that the counties would then be  
24 responsible for those costs?

25 REPRESENTATIVE HARLESS: Excuse me? Say

1 that one more time.

2 REPRESENTATIVE YVONNE DAVIS: Are you  
3 suggesting that the counties could have additional costs  
4 associated with implementation of this program that we  
5 would not send funds to the counties for this program?

6 REPRESENTATIVE HARLESS: The counties have  
7 additional costs on a lot of legislation we passed and a  
8 lot of it is selection. Every other session we pass new  
9 election laws that the county has to implement with this  
10 bill.

11 I don't know if they will with this bill.

12 REPRESENTATIVE YVONNE DAVIS: Is it your  
13 intent that this bill would not put an additional cost  
14 on the counties with regard to implementation of this  
15 new program?

16 REPRESENTATIVE HARLESS: That is my intent.

17 REPRESENTATIVE YVONNE DAVIS: Okay.

18 Mr. Speaker, I'd like to move to have

5 REPRESENTATIVE LARRY GONZALES: Is it the  
6 intention of anybody who is a joint author or co-author  
7 of this bill to disenfranchise any voter, regardless of  
8 race, ethnicity, social economic status, disabilities,  
9 age, any combination thereof?

10 REPRESENTATIVE HARLESS: No, it is not.

11 REPRESENTATIVE LARRY GONZALES: So we are

20 REPRESENTATIVE LARRY GONZALES: Would you  
21 agree that the heart and the soul of our republic is the

2 accomplish and secure the voters' confidence.

3 REPRESENTATIVE HARLESS: I think it  
4 absolutely does.

5 REPRESENTATIVE LARRY GONZALES:  
6 Mr. Speaker, I move the conversation between

16 THE CHAIR: Will the lady yield?

17 REPRESENTATIVE HARLESS: I yield.

18 THE CHAIR: The lady yields.

19 REPRESENTATIVE GARZA: Representative  
20 Harless, I wanted to echo the sentiments of  
21 Representative Gonzalez.

22 I come from the west side of San Antonio.  
23 My father was the first-generation Hispanic who served  
24 in the military for over 20 years. And I came to this  
25 place to basically, the House of Representatives, to

JA\_002716

TX\_00213224

USA\_00017598

1 basically, the attitude that minorities, especially we  
2 as Hispanics, are disabled in our ability to get an  
3 identification, a driver's license, to be able to do  
4 what it takes to exercise our right to vote, is  
5 sometimes insulting.

6 We have the ability, we have the right.  
7 And my father and many of the Hispanics that are here  
8 are examples. That we are able and we want to begin to  
9 proceed claim the ability of our people to achieve the  
10 many things that we have as a race.

11 So, I think, the positive part is we are  
12 able and our people are able to achieve these things  
13 that have been said that they are not able or  
14 disenfranchised or unable to do.

15 And being a Texan and being a Hispanic, I  
16 know that we are able to overcome and we have overcome,  
17 and we will continue to overcome.

18 But to answer some of the questions that  
19 caused some of the confusion to some of the  
20 representatives, I wanted to ask you specifically: Will  
21 this bill encourage voter participation by all Texans  
22 regardless of race, ethnenticity, socio-economic status,  
23 their disability, their age or any of the combinations  
24 thereof? By giving them confidence in the election  
25 process that Representative Aliseda spoke about?

House Floor Debate - Volume III

March 23, 2011

141

1 REPRESENTATIVE HARLESS: I believe it will.

2 REPRESENTATIVE GARZA: And let me ask you  
3 again: With the passage of this bill: Will all Texans,  
4 including those mentioned, have equal access to this  
5 election process with the passage of this bill?

6 REPRESENTATIVE HARLESS: Yes.

7 REPRESENTATIVE GARZA: So will Hispanic  
8 voters in my district, House District 117, have full  
9 confidence that their vote will count in a trustworthy  
10 election process?

11 REPRESENTATIVE HARLESS: Yes.

12 REPRESENTATIVE GARZA: And the African  
13 American voters in my district -- they'll have full  
14 confidence that their vote will count in this  
15 trustworthy election process?

16 REPRESENTATIVE HARLESS: Yes.

17 REPRESENTATIVE GARZA: Okay. And finally:  
18 Every voter in my district of 117 in San Antonio and in  
19 every House District in the State of Texas, regardless  
20 of race, ethnicity, their socio economic status, their  
21 disability, age or again, any combination thereof, will  
22 have full confidence that their vote will count in a  
23 trustworthy election process?

24 REPRESENTATIVE HARLESS: Absolutely. Yes.
